Cable Strain Relief Bracket

Have you ever pulled cables out of rack-mounted equipment accidentally? Do you need to maintain a minimum bend radius for your cabling?

Our rack-mounted cable strain relief is the answer. Made of high-strength aluminum, it includes ten flexible Saf-T-Grip® Cable Management Straps. This bracket can be mounted at desired height and depth to position straps right where you need them. Reusable rivets allow Saf-T-Grips to be added or removed as required. Aluminum construction.
